## Caregiver's Day off in August

8.19.23

This past August 19th, OAF and Olive Crest organized their second Caregiver's Day Off at St. John's Lutheran School of Orange. At this month's event, volunteers congregated to support and connect with foster youth. Despite CDO being named for caregivers, the primary goal of the event is to reach out to children in the foster system. Throughout Caregiver's Day Off, children were offered face paintings and snacks, but the most emphasis was placed on the opportunity to bond with attendees on a personal level throughout the day; although CDO itself isn't an especially rare occurrence, the effects it had and will continue to have on the children are long-lasting. Anh Ly, co-president of OAF's Garden Grove High School branch, described the event as "a place to feel loved for not just the children but everybody there." Needless to say, volunteers and participants eagerly await the next CDO.

## OAF Tutorium Collab

2023-2024 School Year

OAF and Tutorium have collaborated to create one-on-one tutoring workshops for students. It is a two part workshop: in the first half, tutors will use a self-made math and science curriculum to teach the students. However, tutors will focus more on helping students with their homework. The second half of the workshop is more STEM based, where students will get the chance to work on a variety of STEM projects, allowing them to not only have fun but also learn. The purpose of this collaboration is not only to make tutoring more accessible/local for many students, but also to, as the website stated, "cultivate each student's education and self-confidence."
